SEARCH DEFINITIONS

***Social Security Number Trace** verifies that the number issued was issued by the Social Security Administration and not listed in the files of the deceased. This trace also indicates names and addresses associated with the number's use as well as counties of residence for criminal searches.

***County Criminal Search** verifies a clean criminal record at the county level court of jurisdiction for the applicant's address.

***Check America Criminal Offender Profile Summary** is an instant search of a nationwide criminal records database. This service is used in conjunction with county criminal searches as an overlay to capture information.

***National Sex Offender Registry** is a database compiled from violent and sex offender registries in all 50 states and the District of Columbia.
