

Target Training International

Dedicated To Keeping Your Information Safe Online

Worldwide Security You Can Trust

Target Training International, Ltd. (TTI) is committed to keeping your privacy secure. You can feel at ease knowing your personal information will be collected and stored safely and will never be disclosed to third parties other than the person or organization that asked you to complete an assessment. All sensitive information, such as credit card numbers and expiration dates, are encrypted and protected through the use of a secure connection using the secure socket layer (SSL) protection.

Target Training International, Ltd. has followed the proper requirements to be accepted by the Council of Better Business Bureau's BBBOnLine® Privacy Program and the European Union Safe Harbor Principles. Together we are able to provide worldwide security that you can trust.

BBBOnline Privacy Seal

The BBBOnLine Privacy Seal confirms a company stands behind its online privacy policy and has met the program requirements regarding the handling of personal information that is provided through its web site.

Safe Harbor

The European Commission's Directive on Data Protection went into effect in October, 1998, and prohibits the transfer of personal data to non-European Union nations that do not meet the European "adequacy" standard for privacy protection. With the acceptance of Safe Harbor, EU countries can now be assured that TTI provides "adequate" privacy protection and complaint dispute resolution, as defined by the Directive.
